Dear Parents/Carers,

It was wonderful to see our children back through the gates on Monday after the summer break. As well as our familiar faces, we were able to welcome our new EYFS pupils and teaching colleagues. We have made a great start to the new school year and are raring to go.

It's typical that after a really mixed summer, we have arrived back in time for a heatwave and the hottest day of the year. We have been settling into our new classes and trying hard to keep cool, learn and have fun this week.

Just to let parents and carers of our new families know that we have a school dog-Nell a Springer Spaniel- working in the building on Monday and Friday mornings. It is important that you let us know through the data collection sheet if your child has an allergy to dogs or is anxious around them.

We are running meet the teacher events in the next couple of weeks and hope to be able to let you have the school trip planner for the school year at these events. We look forward to seeing you at these welcome meetings.

The forecast looks good for some late summer fun in the sunshine this weekend.

We hope you have a great time with your families and look forward to seeing you on Monday.

Ann Farrar
Headteacher

Please can we remind all parents to please bring back your up to date Data Collection sheets.
