Dear Parents/Carers,

Another week has whizzed by and we are looking forward to a mini-October heatwave this weekend. We have been dodging the showers this week and still managed to send our Meerkats class out to explore what is on offer at Highfield Library this Autumn. Our children enjoyed a lovely story-telling session on their visit.

Y5/6 have made the most of today's visit from Sheffield's Poet Laureate Danae Wellington. Danae has been in school with Y5 and Y6 today to kick off an oracy project that we will be working on with her this year. Danae will be in school to help children develop their oracy skills and explore public speaking and performance skills. Watch this space for an update!

We hope you can all enjoy the autumn sunshine with friends and family this weekend.

Change to school gate locking times

In order to tighten up our site safety, we will be making some changes to our school gate locking times which will be effective from Monday October 30th. Both our Hartley Street and Anns Road gates will be locked at 9am after drop off and 3.30pm after children have been collected.

Late drop off and pick up outside of these times will be through the Hartley Street buzzer entrance only. We will be fitting a separate buzzer and entry camera for the collection of pupils using the Bright Sparks after school club.

Arrangements for collection from an after school club will remain unchanged. Parents/carers will need to be buzzed in through the Hartley Street entrance.

Thankyou for your support in helping us to keep our children and school as safe as possible.
