World Space Week Competition

In school we will be celebrating **World Space Week**, with lots of exciting and out of this world lessons. You can check out our twitter for exciting facts and cool activities throughout the week.

We are launching a competition across school to complete **at home**. We want you to create your very own planet! Who/what, would live there? What would it look like? What is the weather like? You could consider forces such as gravity.

It is up to you how you design your planet, you could make a 3D model, do a painting or drawing, write a story, create an animation, and it is entirely up to you!

Please note we are not able to collect these in, please ask an adult to email photos or videos of your work to www.science@annsgrove.sheffield.sch.uk

The closing date for entries is Monday 19th October, with cool space prizes up for grabs!

Cauliflower Cards

You will have received your child's artwork for you to purchase Christmas cards etc. Please make sure you return the paperwork back to school by 22nd October. Also all orders will need to be made online, full instructions are on the Artwork form.
