Parents/staff that have any concerns over parking infringements can report directly to [parkingenforcement@sheffield.gov.uk](mailto:parkingenforcement@sheffield.gov.uk) or [parkingservices@sheffield.gov.uk](mailto:parkingservices@sheffield.gov.uk)

### Cake Stall at Parents Evening Wed 18<sup>th</sup> & Thurs 19<sup>th</sup> March

We would appreciate any cake and bun donations for our school parent's evenings on the above dates. Please bring all donations on the morning of the dates above, thank you in advance.

Please can we remind all parents for the safeguarding of all children there will be no access to the school premises from 3pm. If assistance is needed the office staff are happy to help from the hatch in the entrance foyer. **There will be no toilet facilities for adult use.** Children can use the school toilets in their corridors if needed.

### How much sugar is too much?

Follow the link attached on information on how much sugar we consume and do we really need too?

<https://www.sheffielddissweetenough.org>

### Easter Egg/Bonnet Competition

KS1 & KS2 decorate an egg for the competition and Foundation create an Easter Bonnet. Please bring all entries in to school no earlier than Mon 23<sup>rd</sup> Mar to be judged by Wed 25<sup>th</sup> March.

Y6 classes will be bringing their revision books home. Please encourage them to complete each task by the dates on their covering letter.

England**

# Advice on the coronavirus for places of education

## How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

## How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

## How can you stop coronaviruses spreading?

### If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: [campaignresources.phe.gov.uk/schools](https://campaignresources.phe.gov.uk/schools)

## What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit [NHS.UK](https://www.nhs.uk) to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days.

See [NHS.UK](https://www.nhs.uk) for advice on coronavirus.

**If there is an emergency, call 999 immediately**
