

# Nebula

**At Sheffield Springs Academy, we are starting a new programme of study in September this year, just for students interested in STEM!**

# Nebula

## What is Nebula?

- A curriculum of learning for students interested in STEM (Science, Technology, Engineering and Maths).

# Nebula

## Is Nebula for me?

- Are you interested in STEM subjects?
- Are you thinking of a career in this field?
- Are you resilient and try your best at all times?
- Are you ready to start an academically challenging Y7 to support you in achieving the highest possible grades?

**If the answer to all of these questions is 'yes', then Nebula could be for you!**

# Nebula

**What would my lessons be like?**

- **Extra lessons for science, maths and computing.**
- **Expert teachers and more practical work.**
- **Learning about careers linked to STEM subjects.**

# Nebula

**What extra learning will take place?**

- **Music lessons (instruments vary).**
- **Debate club.**
- **A lecture series where you can hear from the country's top scientists, engineers and statisticians.**
- **Additional language clubs.**

**These will be compulsory for Nebula students.**

# Nebula

What other experiences could I have?

Visits to amazing places

Chess Club

Robotics Club

And many more!

# Nebula

**Y6 students that are interested in this opportunity should go to our website at <https://www.sheffieldsprings-academy.org/> to apply.**

**If you have any questions, please let your teacher know so they can pass them on to us at Sheffield Springs Academy.**
