Google Classroom

Dear Parent/Carer,

This letter has been sent previously, however the code for the google classroom has changed. Please see below for the correct code.

Given the current situation with Coronavirus, we are now setting homework on Google Classroom. Every Friday, a maths, spelling and handwriting activity will be uploaded. Currently, we are not able to receive this work back in school but we would love for you to post anything completed online.

To access these resources you will need to search for '*google classroom*' online and add your email and a code when prompted, where possible please make it obvious as to who you are. The codes for the classrooms are –

Year 1 - 7wcsfo5
Year 2 – vkq2kmf

If you encounter any issues accessing this material then send an email to mlittlewood@annsgrove.sheffield.sch.uk for further assistance.

Thank you for your support,

KS1 team
