Catch up programme for Y6 pupils

Dear Parents/Carers,

At this time of year, we usually write to you to bring you up to date with the plans we have in place to prepare our Y6 pupils for their SATs tests. As a result of the Covid 19 pandemic, these tests will not be taking place this year.

However, we recognise that our Y6 pupils have missed a good deal of learning in a key year before their transition to secondary school. We aim to give them some additional opportunities for learning during the Spring and Summer terms to allow them to work towards being ready for secondary school.

The Easter School SATS revision days that usually takes place during the Easter holiday will still take place this year. Rather than a focus on SATS tests, these extra days in school will take the shape of an 'Easter Camp' with a focus on catch up teaching of key numeracy and literacy skills, secondary readiness and plenty of fun with friends. Easter Camp will run for three days : Tuesday April 6th, Wednesday, April 7th and Thursday April 8th. The day will begin at 9am and finish at 2pm. Pupils may attend on all days or specific days only.

Additionally, we will run an after-school Maths Booster programme for all Y6 pupils. This catch-up programme will take place on Tuesdays for ten weeks. The sessions will end at 4.20pm and run from Tuesday April 27th to Tuesday July 6th inclusive.

More details on both of these opportunities will follow. In the meantime, we would be grateful if you could return a booking slip to allow us to plan for numbers.

Yours sincerely,

Head teacher
