Dear Parents,

The Reception team would like to make a bug hotel with the children for our outdoor area as a project in the summer term. We are looking for donations of old things which we could recycle and use and asking if you have anything at home that you would be willing to donate. Some materials that would be useful are; wooden pallets, bricks, sticks, stones, pipes, pieces of wood, pinecones, rock, straw etc.

If anyone has anything suitable that we could use and you are happy to donate, could you please bring in to school and leave in the large green 'salt' bin next to the outdoor reception playground gates.

Many thanks,

Sarah Webb
