## **Christmas Performances**

Dear parents/carers,

This year we are inviting parents and carers into school to watch performances in a safe way. Each child can have a **maximum of two adults** to attend. This means there will be no more than 60 adults in the school hall at any one time. Seating will be arranged in pairs with a 2 metre gap between rows.

All doors will remain open during a performance in order to maximise ventilation. We also request that you **wear a face covering** whilst in school and suggest that you wrap up warm. Entrance to the hall will be directly from outside through the **entrance at the top of the KS2 steps**. Someone will be there to direct you before a performance. Each performance will also be live streamed for any parents and carers who are unable to attend.

If circumstances change and we feel we are not able to invite parents and carers into school safely we will let you know. Below are the dates for each performance.
