2nd November 2021

Dear parents/carers,

As your child is on the SEN register, we would like to offer you a SEN parents evening appointment. These will take place on Tuesday 9th November and Tues 16th November and slots will be available from 2pm-5.30pm.

If you wish to discuss anything related to your child's Special Educational Needs, for example if you have any concerns, want to discuss any of their paperwork or if they have a recent diagnosis or are being assessed for a special educational need, please fill in the Google form that has been emailed to you. There is a section on the form that asks you for a brief description of your concerns. This is so that I can try to ensure I have the relevant information for you during your time slot.

If you wish to speak to me but all the appointments have been taken, please still fill in the form and I will call you when I can.

Please note that this parents evening will not replace the one offered to you with your child's teacher. Your child's teacher will discuss their progress, how they have settled in and any in class support with you. The SEN parents evening is purely for anything you wish to discuss related to your child's Special Educational Needs.

I look forward to talking to you.

Yours sincerely,

Nicola Eastburn
SENCO
