Y6 AFTER SCHOOL MATHS BOOSTER SESSIONS

Dear Parents/Carers,

As you are aware, our Y6 pupils are preparing for their SATS tests which will take place during May this year. We are determined to offer them every opportunity to do their very best and secure end of year results they can be proud of as they move on to secondary school in the autumn.

As a result, we are pleased to say that we are able to offer a ten week programme of after school maths booster sessions at no cost for every pupil beginning after the half term break. We are aware that additional tuition can be costly for parents and feel that this should not be a barrier to pupils securing the support which is often very valuable for the children during Y6.

The children will work in small groups with a teacher for 45 minutes after school for ten weeks. The first session will take place on Tuesday, February 22nd from 3.30-4.15pm. Sessions will then take place on every Tuesday at the same time until May 10th, except during school holidays. The sessions will be taught by the Y5/6 teachers. Children will be given a drink and snack before the sessions commence.

The after school booster sessions are designed to:

- Familiarise your child with the range of test questions and question styles they may be faced with in SAT's and at secondary school.
- Discuss strategies for tackling questions they may find difficult.
- Look at strategies for improving speed and accuracy in testing.
- Give the pupils smaller group teaching and learning opportunities.
- Focus teaching for their ability levels, to boost their potential and confidence.

If you would like your child to attend please indicate on the attached slip and return it to us as soon as you can so we can finalise the arrangements. All sessions will take place in the Group Tutor's classroom. Your child can be collected from the office at 4.20pm. Please indicate on the reply slip if you give your child permission to walk home alone.

Yours sincerely,

Stephen Chappell
Y5/6 Team Leader

Y6 Maths Booster Sessions

I would like my child.....

to have the opportunity to receive extra support through the
Y6 Maths Booster Sessions.

I give my child permission to walk home alone

I will collect my child at 4.20pm

Signed..... (parent/carer)
