Y6 REVISION BOOKS

Dear Parents/Carers,

In preparation for the SATs tests, children will now complete their weekly homework in SATs revision books which the school has bought for every Y6 child. This is an opportunity for children to revise and practise at home. Today your child has taken home a reading book; a grammar, punctuation and spelling book and a maths book – all of these have activities for the children to complete. They have also taken home two revision guides (maths and English) which will provide them with all the key information they need to know. Children will hand the books in every Thursday and take them home again every Friday. Children will be rewarded with 'Anns Grove Dosh' everytime they return a completed piece of homework. We are aware that the answers are in the back of the maths book. Please support us in making sure that children complete the work without 'cheating'. In school, we encourage children to show their working out and would expect to see this in their work books. Rather than completing all the given sections at once, we advise children to complete a few pages an evening over the course of the week.

Thank you for your support at home to ensure that all children can achieve their potential.

Yours sincerely,
 Stephen Chappell
 Y5/6 Team Leader

English SATs Buster Reading	Date to be completed by
Section: The Baking Battle	17 th March 2022
An Underground City	24 th March 2022
