Y6 Resources

Dear Parents/Carers,

The Y6 pupils have tonight been sent home with a further set of revision materials. These include old SATs papers and guidance on the methods and terminology they have been taught. Please encourage and help your children to work through these in the coming weeks and during the Easter holidays. All children who return completed work after Easter, will receive a **reward**.

Given the current circumstances with coronavirus, if the school is closed in the future, further activities and resources will be provided online and regularly updated.

Thank you for your support at home to ensure that all children can achieve their potential.

Yours sincerely,

Stephen Chappell
Y5/6 Team Leader
